Saathi rey thoda thehar ja
Abhi raaste kuch badal se jaayenge
O saathi rey thoda thehar ja
Yeh paanv bhi ab sambhal se jaayenge Phir wohi barsaat hogi
Aur ashq saare dhul se jaayenge
Roshni din-raat hogi
Aur sab jharokhe khul se jaayenge Yaara tu hi toh bandagi hai
Yaara tu hi dua
Yaara kaisi ye berukhi hai
Kyun judaa tu huaa Kehna tha aur kya kya mujhe
Neend kyun aa gayi phir tujhe Na naa€! Mmmã€! Saathi rey thoda sa thehar ja
Abhi mausamon ka badalna baaki hai
O saathi rey thoda thehar ja
Kuch door saath chalna baaki hai Phir unhi raaston pe
Tere mere kadmon ka milna baaki hai
Dard mein, ranjishon mein
Sang bujhna aur jalna baaki hai Yaara tu hi toh bandagi hai
Yaara tu hi dua
Yaara kaisi ye berukhi hai
Kyun judaa tu huaa (x2) Haan tere aur meri darmiyaan
Ab bhi baki hai ik daastan
