Sawan hai madbhara, bal kha rahi ghata.
Athkeliyan kare, khushbu bhari hawa.
Dono kareeb hain, har pal hai prem ka.
Aye megh tu bata, hai inke man mein kya?
Rimjhim barso megh, barso barso megh.
Baatein zaroori, hain jo adhoori,
Karni hain poori, ghir ghir barso.
Rimjhim barso megh, barso barso megh.
Bojhal palkein madhuram madhuram,
Angdai leta hai mausam.
Dhadkan ki man gaaye sargam,
Madhoshi hai madham madham.
Madhur meet hai, milan geet hai,
Man mehkao, ghanghan garjo,
Ras barsao, jhan jhan barso.
Rimjhim barso megh, barso barso megh.
Jal se man agni jal jaye.
Bheege jiyra ko tarsaye.
Badra pehle pyaas badhaye.
Phir ye man ka milan karaye.
Madhur preet ki yehi reet hai,
Na tarsao, na tum tarso,
Gun gun gao, run jhun barso.
Rimjhim barso megh, barso barso megh.
