Sab javan sab hasin, koi tumasa nahee
Ho gaye jisake ham woh tumhee ho tumhee
Sab javan sab hasin
Dekha jo tumhe mahasus hua, pahchan hai apanee muddat se
Kwabon me basee thee jo surat milatee hai tumharee murat se
Sab javan sab hasin
Rasta bhee mile manjil bhee mile, jab sath chale divane do
Ya haath pakad lo badhake tumhee ya, mujhako karib aa jane do
Yeh sitam kab talak tum kahee ham kahee
Sab javan sab hasin
Kuchh jan ke bhee dhokha khaya, kuchh dekhe unake ishare bhee
Lo aas kee badalee me chamake ummid ke chand sitare bhee
Ho gai aaj puree dil kee kamin
Sab javan sab hasin
