You and will be together to the end of time
I promise i'
Il never let you go now that i know you love me
Chalu main tere pichhe pichhe baaki saare bandhan tod du
Jo tere tak na jaaye uss raste ko chhod du
Har khaab mera ummid meri main tujhae jod du
Sab rishte naate hasake tod du, bas tujhase dil ka rishta jod du, jod du
Sab rishte naate hasake tod du, bas tujhase dil ka rishta jod du
You and will be together to the end of time
I promise i'
Il never let you go now that i know you love me
Jud gayi jud gayi tujhase yeh meri jindagi
Maine toh paayi tujhamein meri har khushi
Keh gayi keh gayi mujhase khud yeh baatein teri
Aksar khayaalon mein hoon tere main kahin
Dekhu main tujhe lamaha lamaha har pal apne sine mein rakhu
Har subah tujhase milane ki chaahat mein main jagu
Ik tu hi toh hai honto ki hasi, chehare ka noor tu
Sab rishte naate hasake tod du, bas tujhase dil ka rishta jod du, jod du
Sab rishte naate hasake tod du, bas tujhase dil ka rishta jod du
Bas gayi bas gayi mujhamein abb hai yeh bas gayi
Saanson se aaye har dam khushabu jo teri
Chha gayi chha gayi mujhapar yeh jo hai chha gayi
Badali hai shaayad yeh tere ishq ki
Yahin hai mere dil ki hasrat peharon tujhase baatein main karu
Ho saari baatein tujhase khatam aur tujhase ho shuru
Phir waqt bhi yeh ruk jaaye wahin ho jab bhi saath tu
Sab rishte naate hasake tod du, bas tujhase dil ka rishta jod du, jod du
Sab rishte naate hasake tod du, bas tujhase dil ka rishta jod du
You and will be together to the end of time
I promise i'
Il never let you go now that i know you love me
