Sach mere yaar hai, bas wohee pyaar hai
Jisake badale me koyee toh pyaar de
Baakee bekaar hai, yaar mere....
Jis haath me ik haath hai, uss haath kee kya baat hai
Kya manjile kya faasle, ik humsafar gar saath hai
Jisakee kismat koyee yu sanvaar de, woh hee dildaar hai yaar mere....
Jhume jamin jhume gagan, tere liye hoke magan
Khilatee rahe khushiya teree, mehka rahe dil kaa chaman
Jindagee tujhako aisee bahaar de, dil kee pukaar hai, yaar mere....
Sunate the ham yeh jindagee, gham aur khushee kaa mel hai
Hamko magar aaya najar, yeh jindagee woh khel hai
Koyee sab jite sab koyee haar de, apanee toh har hai, yaar mere....
