Sachin Sachin.. (x4) Raat chaahé ho ghaneri
Hai ujaala tere haathon mein
Ho adhoora khwaab toh phir
Neend kaise aaye raaton mein Abhi aadhi kheli tune baazi
Abhi chotein dil ki taazi taazi
Abhi dil ko hai karna raazi
Tere honslon ne paa leni hai manzilein Sachin Sachin.. (x4) Tu hawaaon ki dishayein
Mod dena chahe jo bhi ho
Aur baaki waqt pe hi chhod dena
Tera saathi woh deke jaayega
Woh aage aage
Nayi subah tere liye jaage
Naye kal se baandhe hai tune dhaage
Tere honslon ne paa leni hai manzilein Sachin Sachin.. (x4) Heâ€™s born with the game
You werenâ€™t born with the same
I do this for my people
I donâ€™t do this for the fame
I was born with the game
You werenâ€™t born the same
I do this for my people
I donâ€™t do this for the fame You keep chance keep the change
Just give me my reign
And leave me my lane
And just remember my name Sachin Sachin.. (x4) Aa.. Sachin Sachin.. (x4) Jive jive jive jaanbaaz
Jee se aave aawaazaâ€™i Jive jive jive jaanbaaz
Jee se aave aawaazaâ€™i Sachin Sachin.. (x8)
