Singer - [Kalpana Patowary](#), [Shreya Ghoshal](#)

Lyricist - [Sajan Harharपुरi](#)

Music - [Nayab Raja](#)

Music Label - Das Music

Saiya ki baiya main thaame chali thi  
Tedha tha rasta andheri gali thi  
Hay daiya daiya hay daiya ui ma  
Hay daiya daiya hay daiya  
Saiya ki baiya main thaame chali thi  
Tedha tha rasta andheri gali thi  
Saiya ki baiya main thaame chali thi  
Tedha tha rasta andheri gali thi  
Mach gaya shor sare gaon mein  
Mach gaya shor sare gaon mein  
Kanta chubha jo mere paon mein  
Kanta chubha jo mere paon mein  
Saiya ki baiya main thaame chali thi  
Tedha tha rasta andheri gali thi  
Kabakht isaki chubhan abb sataaye  
Raato ko bhi neend mujhko na aaye  
Hay daiya daiya hay daiya  
Kabakht isaki chubhan abb sataye  
Rato ko bhi neend mujhko na aaye  
Ghar se niklana bhi mushkil huva re  
Raste pe chalna bhi mushkil huva re  
Mach gaya shor sare gaon mein  
Mach gaya shor sare gaon mein  
Kanta chubha jo mere paon mein  
Kanta chubha jo mere paon mein  
Saiya ki baiya main thaame chali thi  
Tedha tha rasta andheri gali thi  
Kaise sanbhalu mai apani jawaani  
Kaise mai roku yeh nadiya ka pani  
Hay daiya daiya hay daiya  
Hay daiya daiya hay daiya  
Kaise sanbhalu main apani jawaani  
Kaise mai roku yeh nadiya ka pani  
Pyasi hai sabki nazar kya karu mai  
Ladta hai abb mujhko  
Darr kya karu mai  
Mach gaya shor sare gaon mein  
Mach gaya shor sare gaon mein  
Kanta chubha jo mere paon mein  
Kanta chubha jo mere paon mein  
Saiya ki baiya main thaame chali thi  
Tedha tha rasta andheri gali thi  
Saiya ki baiya main thaame chali thi  
Tedha tha rasta andheri gali thi  
Saiya ki baiya main thaame chali thi  
Tedha tha rasta andheri gali thi  
Mach gaya shor sare gaon mein  
Mach gaya shor sare gaon mein  
Kanta chubha jo mere paon mein  
Kanta chubha jo mere paon mein  
Saiya ki baiya main thaame chali thi  
Tedha tha rasta andheri gali thi  
Saiya ki baiya main thaame chali thi  
Tedha tha rasta andheri gali thi  
Hay daiya daiya hay daiya ui ma  
Hay daiya daiya hay daiya hay.
