Saakeeyaan, aaj muze nind naheen aayegee
Sunaa hain teree mahafil mein ras jagaa hain
Aankhon aankhon mein yoon hee raat gujar jaayegee
Sunaa hain teree mahafil mein ras jagaa hain
Saakee hain aaur shaam bhee, ulafata kaa jaam bhee
Takadeer hain usee kee jo le in se kaam bhee
Ranga-ye-mahafeel hain raatabhar ke liye
Sochanaa kyaa abhee sahar ke liye
Teraa jalawaa ho, teree soorat ho
Aaur kyaa chaaheeye najar ke liye
Aaj soorat teree beparda najar aayegee
Mohabbat mein jo mit jaataa hain, wo kuchh kah naheen sakataa
Ye wo koochaa jis mein dil salaamat rah naheen sakataa
Kisakee duniyaan yahaan tabaah naheen
Kaun hain jis ke lab pe aag naheen
Us par dil jarur aayegaa, jis ke bachane kee koee raah naheen
Jindagee aaj najar milate hee loot jaayegee
