Sambhaali hai kitane dino se paali hai
Isake bina jindagi khaali khaali hai
Hogi kabhi sachchi toh woh taabir?? hoti hai
Taaja lage haan jitani bhi baansi hoti hai
Dosti dosti dosti aa ha ha ha dosti
Hey hey hey hey hey.....
Na milein aasmaan to bhi kahin na kahin hum udd jaayenge
Na mile yeh jamin phir bhi kahin na kahin hum khil jaayenge
Karde badi jo jindagi jaraasi hoti hai
Har haal mein soche bina yeh raaji hoti hai
Dosti dosti dosti ha ha ha dosti
Milate hamesha nahi saare khayaalon mein hum haan toh kya huwa
Judate hamesha kahaan saare sawaalon pe hum haan toh kya huwa
Yeh ruthake chal de bhale mudake aati hai
Jar din ki yeh aadat buri kyun ban jaati hai
Dosti dosti dosti ha ha ha dosti
