Saamne aati ho tum toh
Jaise ishq ka deedar hota hain
Tum chali jaati ho toh tumhare
Aane ka intejaar hota hain
Tumhara muskurana
Khwaab mein bhi aa jana
Ankh se ankh churake
Dil ko chura le jana
Mujhko tumse har pal
Jaise pehli pehli baar
Pyar hota hain
Saamne aate ho tum toh
Jaise ishq ka deedar hota hain
Tum chale jaate ho toh tumhare
Aane ka intejaar hota hain
Dil mein kuch aise chupke se aao
In dhadkano ko ho na khabar yeh
Jab tum pukaro tanhaiyon mein
Aawaz dil ki aaye idhar bhi
Kho na paye kabhi pyar ke silsilay
Ek hi saans dono jismo mein chale
Tum chali jaati ho toh tumhare
Aane ka intejaar hota hain
Ek ajab si shokhi hain dil mein
Saanso mein khusbu sabse juda hain
Khwaabo ki aankhejn neendo ko tumne
Palko se apni jabse chura hain
Tere aaghosh mein dil ki hai har khushi
Har khushi mein chupi zindagi yeh meri
Saamne aate ho tum toh
Jaise ishq ka deedar hota hain
Tum chale jaate ho toh
Tumhare aane ka intejaar hota hain
Tumhara gunguna
Khayalo mein kho jaana
Mujhe baaho mein
Lekar aasman tak ho aana
Pal pal kya mujhko toh tumpar
Har pal mein sau baar
Pyar hota hain
Saamne aati ho tum toh
Jaise ishq ka deedar hota hain
Tum chali jaati ho toh tumhare
Aane ka intejaar hota hain
Saamne aati ho tum toh
Jaise ishq ka deedar hota hain
Tum chali jaati ho toh
Tumhare aane ka intejaar hota hain.
