Sanchi kahe tore aavan se hamre, angana me aayee bahar bhojee  
Laxmi kee surat, mamta kee murat, lakhon me ek hamar bhojee  
Sanchi kahe tore aavan se hamre, angana me aayee bahar bhojee...  
Tulsi kee seva, chandarma kee puja, kajri cheta anganva me gunja  
Abb hamne jana kee phguwa siva bhee, hote hain kiine tyohar bhojee  
Sanchi kahe tore aavan se hamre, angana me aayee bahar bhojee...  
Yeh ghar tha bhootan ka dera, jab se bhaya tumhara pag phera  
Duneeya badal gayee halat sambhal gayee, ann dhan ke lage bhandar bhojee  
Sanchi kahe tore aavan se hamre, angana me aayee bahar bhojee...  
Bachpan se ham kaka keh keh ke hare, koi hume bhee toh kaka pukare  
Dede bhatija phulwa sarikha -2, manenge ham upkar bhojee, ay bhojee  
Saanchee kahe tore aavan se hamre, angana me aayee bahar bhojee  
Laxmi kee surat, mamta kee murat, lakhon me ek hamar bhojee  
Angana me aayee bahar bhojee
