Sang basanti, ang basanti, rang basanti chha gaya, mastana aa gaya -2  
Dharati ka hai aachal pila, jhume ambar nila nila  
Sab rango se hai rangila rang basanti  
Sang basanti, ang basanti, rang basanti chha gaya, mastana aa gaya  
Lehraaye yeh tera aachal sawan ke jhulo jaisa  
Dil mera le gaya hai, yeh tera roop gori  
Sarso ke phulon jaisa  
Jab dekhu ji chaahne mera naam basanti rakh du tera  
Chhodo chhedo na o o o o...  
Teri baatein raam duhaayi, manwa luta nind churaayi  
Saiya teri preet se aayi tang basanti  
Sang basanti, ang basanti, rang basanti chha gaya, o mastana aa gaya  
Sunlo deshwaasiyo -2, aaj se iss desh mein chhota bada koyi na hoga  
Saare ek samaan honge, sunlo deshwaasiyo  
Koyi na hoga bhuka pyaasa, puri hogi sabki aasha, hum hai raaja  
Tum ho kaun nagar ke raaja, chhota muh badi baat na saaje  
Jhume naacho gaao baaje chhang basanti  
Sang basanti, ang basanti, rang basanti chha gaya, mastana aa gaya -2
