Sarphira sa hai dil sarphira hai
Na jaane kyun
Tumhe chor nazron se dekhta hai dil
Na jaane kyun
Jitna dekhe, utna tadapta hai
Roke se naa maane kyun Thodi dhoop si hai
Thodi badaliyan hai
Kuchh paas hai humm
Kuchh dooriyaan hain Beqarariyan hi Beqarariyan hai
Beqarariyan hi Beqarariyan hai Abhi kal mile the humm,
kal mile the yahin kahin
Aaj tum hi tum ho
Main kahaan hoon, kahin nahi
Jab se main hoon
Tab se ho mere dil ke aas paas
Jaanti hain tumhe meri dhadkane
Meri har ek saans
Seene se mere jo utha hai dhuaan
Tumhe bhi chhoo ke guzre kaash Tum bhi toh Jaano betabiyan hain
Kuchh toh hain rishtey
Jo darmiyaan hain
Beqarariyan hi beqarariyan hain Call onto the season of love
Come give yourself a reason to love
Call onto the season of love
Come give yourself a reason to love Crossing on my fingers
Baby, donâ€™t let it go
This feeling that iâ€™m getting
I havenâ€™t felt it a lot
I surrender myself to you
The soul I want you to knowâ€™ Jisko yeh nazar yeh meri
Kab se dhoondati rahi
Rang maine dekha hai
Teri aankhon me wahi
Haan aisi baatein kar raha hoon main
Aaye ne aaye yaqeen Mere sapno me jo, rang railiyan hain
Kuch bhi nahi yeh, teri jhalkiyaan hain
Beqarariyan hi beqarariyan hain Sarphira sa hai dil sarphira hai
Naa jaane kyun
Tumhe chor nazron se dekhta hai dil
Naa jaane kyun
Jitna dekhe, utna tadapta hai
Roke se naa maane kyun Thodi dhoop si hain (Itâ€™s the season of love)
Thodi badaliyan hain (Itâ€™s reason to love)
Kuchh paas hain hum (Itâ€™s the season of love)
Kuchh dooriyaan hain (Itâ€™s reason to love)
Beqarariyan hi beqarariyan hai Call onto the season of love
Crossing on my fingers
Come give yourself a reason to love
This feeling that iâ€™m getting
Call onto the season of love
I surrender myself to you
Come give yourself a reason to loveâ€™!
