Sau chand lage jab rabke hath, teraa chehra ban gaya
Kudrat se huwee yeh karamat, teraa chehra ban gaya
Yeh roshinee yeh chandnee, ho ke na ho kuchh gham nahee
Taro ka har kam kya
Har rat hogee abb chand rat, teraa chehra ban gaya
Kudrat se huwee yeh karamat, teraa chehra ban gaya
Yeh roshinee yeh chandnee, ho ke na ho kuchh gham nahee
Taro ka har kam kya, sau chand lage jab rab ke hath
Teraa chehra ban gaya
Subh hoke shabnam sham kee lalee, Kaliyo kee kamsin adaye
Husn kee shogi lehek phulo kee, masumiyat aur wafaye
Dhup ka aaina muskuratee hina -2, sadgee aur sharmo haya
Sab milke khile jab ek sath, teraa chehra ban gaya
Sau chand lage jab rab ke hath, teraa chehra ban gaya
Jab sawan kee pehli rimjhim, teraa badan chumegee
Noor kaha se chhalka itna, din rat so ja karegee
Khushbuo se hawa badalo se ghata
Puchhtee hai yeh jadu hai kya, hamne keh dee has kar yeh bat
Teraa chehra ban gaya, kudrat se huwee yeh karamat
Teraa chehra ban gaya, yeh roshinee yeh chandnee
Ho ke na ho kuchh gham nahee, taro ka har kam kya
Sau chand lage jab rab ke hath, teraa chehra ban gaya
Kudrat se huwee yeh karamat, teraa chehra ban gaya
