Sau janam haan lenge hum, tere hi pyaar mein ai sanam
Sau janam haan lenge hum, tere hi pyaar mein ai sanam
Har ghadi har har kadam, o rehana hai saath hamein ai sanam
Yaad aa gayi bhuli huyi jo daastan
Tum kaun thi main kaun tha hum the kahaan
Sau janam haan lenge hum, tere hi pyaar mein ai sanam
Har ghadi har har kadam, o rehana hai saath hamein ai sanam
Kismat ko bhi hum haraake mil gaye
Har duri ko hum mitaake mil gaye
Woh ghum ho ya khushi ho, woh mauf ho jindagi ho
Hum saath hai saath hai hum saath hai
Jo khwaab soye the saare jaag uthe
Beetein huye lamahe saare jaag uthe
Ho gunj uthi hai saari wadi jo dono ne yeh sada di
Hum saath hai saath hai hum saath hai
Sau janam haan lenge hum, tere hi pyaar mein ai sanam
Har ghadi har har kadam, o rehana hai saath hamein ai sanam
