Aao ji
Mera haath thaamo ji
Mere sang sang chalo aur
Wahaan betho na Aur thoda wahaan tasalli se
Apne khayalaat ko share karo na Ik baar baby selfish hoke
Apne liye jiyo na
Ik baar baby selfish hoke
Apne liye jiyo na Ik baar baby selfish hoke
Apne liye jiyo na
Ik baar baby selfish hoke
Apne liye jiyo na Yeh na kabhi
Mann mein laana
Ki hum aapko gumrah kar rahe hain
Hum jaante hain
Hum aapke liye ko...ee.. bhi nahi Aapne itna itna kiya hai
Hai ki ab bas aap hi haqdar ho
Baby selfish hone ke liye
So Ik baar baby selfish hoke
Apne liye jiyo na
Ik baar baby selfish hoke
Apne liye jiyo na Chehre pe aapke muskaan hai
Phir aankhon mein kyun hai nami
Khush toh bahut hain
Phir bhi na jaane kyun
Thodi si hai kami Aao na jo bhi baaqi kami hai
Usko mitaane ik baar hi
Aitbaar kar hamesha hamesha ke liye So Ik baar baby selfish hoke
Apne liye jiyo na
Ik baar baby selfish hoke
Apne liye jiyo na
Ik baar baby selfish hoke
Apne liye jiyo na
