I never use to dream
Now dream is all i do
I dream throughout the
Day i dream of only you
Running on golden
Sands feeling so much
Holding your gentle
Hands loving your touch
Now iâ€™ll send the
World away
And iâ€™ll sleep and
Dream again
Now iâ€™ll send the
World away
And iâ€™ll sleep and
Dream again
Dream all day of that
Time and place
Dream all night of
Your radiant face
Seven words was for
Love for every stage
Lifeâ€™s been plan for
Itâ€™s gift for any age
We love each and every
Stage poets of life will give
Now iâ€™m up before the sun
And i dream your memory
Now iâ€™m up before the sun
And i dream your memory
Dream all day of that
Time and place
Dream all night of
Your radiant face
Seven words was for
Love for every stage
Lifeâ€™s been plan for
Itâ€™s gift for any age
We love each and every
Stage poets of life will give
Now iâ€™m up before the sun
And i dream your memory
Now iâ€™m up before the sun
And i dream your memory
I never use to dream
Now dream is all i do
I dream throughout the
Day i dream of only you
Found my soul lost my heart
Found my soul lost my heart
Now iâ€™m up before the sun
And i dream youâ€™re in love
Love love and
Iâ€™m up before the
Sun and i dream
Youâ€™re in love
Love love love love.
