She is not good for u, she is playing with your heart
She is got it it for u, she will tear your world apart
She is playing oh so nice, her heart is made of stone
She will pick u for a ride, and leave u on your own
Manchalee woh mai mana, divanee woh mai mana
Chehra dekhu toh germa de mere dil ko
She is not good for u, she is playing with your heart
She is got it it for u, she will tear your world apart
She is playing oh so nice, her heart is made of stone
She will pick u for a ride, and leave u on your own
Sangdil hai woh mai mana, harjayee woh mai mana
Yeh dil sab jane, par usko yeh chahe
Not good.....aaaaaaaa - 4
Woh haseen dil nashin, uss ke bina kuchh bhee nahee
Pehalee bar pehla pyar, kaise manu har
Chandaneeraginee pal pal mujhe tadapatee
Dil me hai, dhadkan me hain, kaise bhulu mai
She is not good for u, she is playing with your heart
She is got it it for u, she will tear your world apart
She is playing oh so nice, her heart is made of stone
She will pick u for a ride, and leave u on your own
Abb hoga kya kaun jane, woh chahe kya kaun jane
Arman meraa tha, sath rahe ham hamesha
Not good.....aaaaaaaa - 4
Woh haseen dil nashin yeah
Uss ke bina kuchh bhee nahee baby
Pehalee bar pehla pyar, kaise manu har cmon shes the one
Chandaneeraginee pal pal mujhe tadapatee
Dil me hai, dhadkan me hain yeah baby
Kaise bhulu mai
She is not good for u, she is playing with your heart
She is got it it for u, she will tear your world apart
She is playing oh so nice, her heart is made of stone
She will pick u for a ride, and leave u on your own
She is only using u
She is not good for u no no she is the one
She is playing with your heart
She is got it it for u no no she is the one no no no no...
She will tear your world apart
She is playing oh so nice no no she is the one she is not good
Her heart is made of stone
She will pick u for a ride no no she is the one
And leave u on your own
