De hava dil ki angithi ko de hawa  
Aur badha, naaringi sholo ko aur badha  
Tintimaati lau ki koyi na samajhe jubaan  
Lapat ban ja tu, badhake chhu le aasmaan  
Aur jal tu pighal hawa hai tu beh nikal  
Raahein bana raste bana chal re  
Shola shola shola shola... hai tu khoya hai kahaan  
Rakh de hateli pe angaarein tabhi samjhega jahaan  
Shola hai tu, shola shola shola shola hai tu.... -4  
Ho khaamosh rehane ka abb maisam nahi  
Le taan unchi dheemi sargam nahi  
Haar ko tyuahaar kar, dard se sanghaar kar  
Kaise nahi sunegi yeh duniya  
Jakhmon ko khol tu chir ke dil bol tu  
Chaara hai tu naala hai tu, kud ja  
Shola shola shola shola... hai tu khoya hai kahaan  
Rakh de hateli pe angaarein tabhi samjhega jahaan  
Shola hai tu, shola shola shola shola hai tu.... -4  
O o apani najar ki aahein, jab aayegi  
Manjil hi pehale palake jhapkaayegi  
Thokaron mein baat ho toh kankaron ki maat ho  
Jeet bhi tere saath ho  
Sar pe kafan tere agar meherbaan har dagar  
Khaabon pe yakin toh ?? abhi jindagi  
Shola shola shola shola... hai tu khoya hai kahaan  
Rakh de hateli pe angaarein tabhi samjhega jahaan  
Shola hai tu, shola shola shola shola hai tu.... -4
