Main yaaron se angreji mein letter likhwata tha  
Chaache ka scooter leke uske peeche jaata tha  
Par meeting ho naa paati, uska tha reason  
Daddyji uska jo usey chhodne aata tha Shoon shaan, shoon shaan  
Shoon shaan, shoon shaan  
4 gear da scooter udde jivein Hayabusa (x3) Main bhi tha shaatir  
Uski class ki ladki friend bana li  
Tujhe pasand hoon karta  
Baat ye uske kaan mein daali  
Uske through tere ghar ka pata lagaya maine  
Wo boli Tilak Nagar but wo bhi nikla jaali Shoon shaan, shoon shaan  
Shoon shaan, shoon shaan  
4 gear da scooter udde jivein Hayabusa (x3) Main shoon shaan shoon shaan karke  
gali ke gedde tha lagata  
Naam tera chilla ke gaadi ke piche chhup jaata  
Bhai tera badmashi me nam kama ke betha hai  
Gar mujhko pata ye hota me na tere piche aata Shoon shaan, shoon shaan  
Shoon shaan, shoon shaan  
Chaar gear da scooter udde jivein Hayabusa (x3)
