Shukriya, shukriya, shukriya mere piya  
Jitne soye khwab the, sabko jaga diya  
Jage sapne, jage arman, jagee hai dhadkan  
Kaisee duneeya, kya jamana, tod har bandhan  
Shukriya, shukriya, shukriya mere piya  
Jitne soye khwab the, sabko jaga diya  
Kya kahu, kya maine tumse milke paya hai  
Tum jo aaye, jindagee me rang aaya hai  
Aao tumko le chalu mai dil kee raho me  
Aaj hamko manjilo ne khud bulaya hai  
Shukriya, shukriya, shukriya mere piya  
Jitne soye khwab the, sabko jaga diya  
Barkha badal, cholee aanchal, phul aur khushbu  
Ham bhee yu hi sath me hai, janle yeh tu  
Shukriya, shukriya, shukriya mere piya  
Jitne soye khwab the, sabko jaga diya  
Mere dil kaa hal kya hai, kya kahu tumse  
Pyar itna pake mere hosh hai goom se  
Jindagee bhar pyar meraa kam nahee hoga  
Manglo tum jan bhee toh gham nahee hoga  
Shukriya, shukriya, shukriya mere piya  
Jitne soye khwab the, sabko jaga diya  
Dharatee ambar, dariya sagar, git aur sargam  
Mauj sahil, rasta manjil, sath hai yun ham  
Shukriya, shukriya, shukriya mere piya  
Jitne soye khwab the, sabko jaga diya
