Sirf khiladi badal gaya baki khel purana hai
Aaj tumhare julmo sitam ka hamko karj chukana hai
Sirf khiladi badal gaya
Kaisi duniya kaisi ulfat kaisi rishtedari
Khaq me aaj mila denge jhuthi shan tumhari
Isaka lagata nasha na hoga muh ke bal gir jaoge
Maut ki jan le ke hategi aaj jan tumhari
Sari baji ulat gai hai aaj tumhe harana hai
Iss kode ki tal pe dekho tumko khub nachana hai
Sirf khiladi badal gaya.....
Jo bhi diya hai karza tumne karj ada ham karte hai
Samne tum ho samne ham hai phir na samjhana darate hai
Stick se mar bhagaye aisa jamana aa hi gaya
Aaj tumhari halat pe ham jhum jhum ke hansate hai
Kal tak tumne hame rulaya aaj tumhe rulana hai
Wahi ghar hai wohi mandir dekho wahi thikana hai
Aaj tumhare julmo sitam
