I just met a girl  
And she is from  
Volo molo volo  
Molo wonder  
I can dance and  
She can sing  
We can rock the  
Whole night longer  
I just met a girl  
And she is from  
Volo molo volo  
Molo wonder  
I can dance and  
She can sing  
We can rock the  
Whole night longer  
Volo molo volo molo wonder

Ho slow motion angreza  
Hun kyun time gañvaye  
Ho slow motion angreza  
Hun kyun time gañvaye  
Seedhe baahon mein bhar le  
Sarsari kyun badhaye  
Meri whiskiye  
Meri tharriye  
Tu menu chadh gayi  
Meri soniye  
Roko na toko na  
Ho mujhko peene de raj ke  
Ghul mil ghul mil launda  
Gul mil gul mil  
Ghul mil ghul mil launda  
Gul mil gul mil sing  
Volo molo voño molo wönder  
Volo molo molo molo  
Volo molo volo molo wonder  
Volo molo molo molo  
Raat badhti jo jaaye  
Haath kya kya tatole  
Jhooth bôle zubaan bhi  
Dharm eemaan dole  
Haye  
Raat badhti jo jaaye  
Haath kya kya tatole  
Jhooth bôle zubaan bhi  
Dharm eemaan dole  
Tu jo dariya mein utre  
Saara paani gulabi haye  
Ho tu jo dariya mein utre  
Saára paáni gulabi  
Talli talli hon lehrein  
Machhliyaan bhi sharaabi  
Meri whiskiye  
Meri tharriye  
Tu menu chadh gayi  
Meri soniye  
Roko na toko na  
Ho mujhko peene de raj ke  
Ghul mil ghul mil launda  
Gul mil gul mil  
Ghul mil ghul mil launda  
Gul mil gul mil sing  
Volo molo voño molo wönder

Ho kaanch si hai tu nazuk

Saans lena sambhalke  
Toot jaaye kahin na  
Bas karvat badal ke
