Socha nahee tha takdir yaha layegeee
Manjil pe aate hee jan chalee jayegee
O yeh toh sikandar ne bhee nahee tha socha
Aane se pehle khushee laut jayegee
Hamne socha tha kya, aur kya se kya huwa
Ja rahe hai aaj yeh jamane ko batake
Yeh kya ho gaya rama re, yeh kya ho gaya maula re
Teraa kusr tha ya meraa kusr tha
Teraa gurur tha ya meraa gurur tha
Rabba mai itna bura nahee hota, too agar bewafa nahee hota
Itna bata mujhe kya mila tujhe
Gham ke yeh kante meree raho me bichhake
Yeh kya ho gaya rama re, yeh kya ho gaya maula re
