Koshish kar ke dekh le dariya sare nadiya sari
Dil ki lagi nahi bujhati
Bujhati hai har chingari
Solah baras ki
Solah baras ki bali umar ko salam
Pyar teri paheli nazar ko salam
Salam pyar teri paheli nazar ko salam
Duniya me sab se paheli jis ne ye dil diya
Duniya ke sab se paheli dilbar ko salam
Dil se niklane wale raste ka shukriya
Dil tak pahunchane wali dagar ko salam
Pyar teri paheli nazar ko salam
Salam pyar teri paheli nazar ko salam
Jis me javan ho kar badanam ham huye
Us shahar us gali us ghar ko salam
Jis ne hame milaye jis ne juda kiya
Us vaqt us ghadi us pahar ko salam
Pyar teri paheli nazar ko salam
Salam pyar teri paheli nazar ko salam
Milte rahe yaha ham ye hai yaha likha
Us likhavat ki zer-o-zabar ko salam
Sahil ke ret pe jo lahara utha ye dil
Sagar me uthane wali har lahar ko salam
Yu mast gahri-gahri aankho ki jhil me
Jis ne hame duboya us bhanvar ko salam
Ghunghat ko chhod ke jo sar se sarak gayi
Aisi nigodi bhali chunar ko salam
Ulfat ke dushmano ne koshish hazar ki
Phir bhii nahi jhuki jo us nazar ko salam
Pyar teri paheli nazar ko salam
Salam pyar teri paheli nazar ko salam
