Esha Esha..!  
Esha Esha..!  
Touch my body, touch my body  
She's out in the corner doing Vodka up in the VIP (VIP)  
So so heart feel I burning (burnin')  
I feel me trembling (tremblin')  
Gonna make my move  
Though she is coming with me for sure (for sure)  
Touch my body  
Touch my body Someone somebody  
Somewhere is missin' me  
Usi or le chala hai  
Ab dil mujhe bhi  
Raahein paraayi hain  
Manzilein to nahin O how I wish to run my fingers down through your hair  
Brown n Black, smooth n silky, like its not even there  
Pack it up get close to mine  
Read down your neck behind  
Your lips are wet  
I wanna taste them  
Put in my mouth  
Touch my body  
Touch my body) Bheega bheega sa, jism kal sa gaya yeah!  
Geela geela sa, chaand jal sa gaya  
Din din yeh suhana yeh suhana mausam  
Khoye khoye tum yahan aah n haa  
Khoye khoye hai hum  
Ghule fizaao mein kuch nasha toh nahin  
Touch my body  
Touch my body
