Chhan chhan chhan chhan, chhan chhan chhan chhan chhan
San san san san san, san san san san san
Sona lagada pyaara lagda
Mereya maahi mereya, o o o mereya maahi mereya
Chhan chhan chhan chhan, chhan chhan chhan chhan chhan
San san san san san, san san san san san
Kudarat ke jowan pe, mitti ki saundhi si gandh hai, ha gandh hai
Udane do khilane do, sine me armaan jo band hai, ha ha band hai
Ho ho ho oh oh oh oh....
O haatho se chhule hum aajaaasmaan
Sona lagada pyaara lagda
Mereya maahi mereya, o o o mereya maahi mereya
Sapano ke dhaago ki, ujali si chaadar ko odhake ha odhake
Kyun bhage mann mera, yeh bairi jag saara chhodake ha ha chhod ke
Ho ho ho oh oh oh oh....
Morani banake main naachati phiru
Sona lagada pyaara lagda
Mereya maahi mereya, o o o mereya maahi mereya
Chhan chhan chhan chhan, chhan chhan chhan chhan chhan
San san san san san, san san san san san
