Sonewale nind se jage, upar niche piche aage
Darr ke bhage chor, jume nachenge jashan manaye
Kuchh aisa kare kaisa aisa chal aage
Hey rama re hey rama re
Jo thakviro se gir jaye, woh takdire nahee hotee
Badalatee jo na takdire, toh woh takdeere nahee hotee
Rehai ka mausam aahed kar lete hai jab keh dee
Dubara mad sitamgaro kee janjire nahee hotee
Janjire toh tute tute na chaahat ke dhage
Hey rama re hey rama re
Mohabbat me nigrao se jubaan ka kam lete hai
Yeh dil kee bat aur ispe takrere nahee hotee
Tere deedar se janam tasafur teraa behtar hai
Kee itnee be muwarat teree tasvire nahee hotee
Aaja raja tere bina jiya nahee lage
Hey rama re hey rama re
Jume nachenge jashan manaye
Kuchh aisa kare kaisa aisa chal aage
Hey rama re hey rama re
