Everybody shake your hands, ahh
Everybody yaad rahe, what?
Everybody shake your hands, ahh
Everybody yaad rahe, what?
Hold your hands so close,
Feel the love you a most..
Feeling higher now,
Feel that fire now..
Everybody shake your hands,
Everybody yaad rahe,
Hold your hands so close,
Feel the love you a most..
Everybody shake your hands,
Everybody yaad rahe,
Hold your hands so close,
Feel the love you a most..
Soniye je tere naal,
Daga mein kamavaa,
Te rab kare mein, mar jaawa,
Te rab kare mein, mar jaawa..!
Soniye je tere naal,
Hoo daga mein kamavaa,
Te rab kare mein, mar jaawa,
Rab kare mein, mar jaawa..
Everybody shake your hands,
Everybody yaad rahe,
Hold your hands so close,
Feel the love you a most..
Akkha vich tera sona roop utarunga,
Ishq mein tere, saari zindagi guzarungaa,
Tere bin jo ek lamha bitawa,
Te rab kare mein, mar jaawa,
Rab kare mein, mar jaawa..
Soniye je tere naal,
Hoo daga mein kamavaa,
Rab kare mein, mar jaawa..
Mahiya je tere naal,
Daga mein kamavaa,
Te rab kare mein, mar jaawa,
Te rab kare mein, mar jaawa..!
Everybody shake your hands,
Everybody yaad rahe,
Hold your hands so close,
Feel the love you a most..
Teri aashiqui da mainu, karz chukana hai,
Dil da jahan teri rahon mein lutana hai,
Tere siwa jo kahin, ishq ladawa,
Te rab kare mein, mar jaawa,
Rab kare mein, mar jaawa..
Soniye je tere naal,
Hoo daga mein kamavaa,
Te rab kare mein, mar jaawa,
Rab kare mein, mar jaawa..
Te rab kare mein, mar jaawa,
Rab kare mein, mar jaawa..
Everybody shake your hands,
Everybody yaad rahe,
Hold your hands so close,
Feel the love you a most..
Feeling higher now,
Feel that fire now..
Everybody shake your hands,
Everybody yaad rahe..
