O o ho...
Baby come stand by my side, come n be my guiding light
O i will be what you want me to be
I will give all my love in whole of my life
Soniyo yo yo yo....., o soniyo..
Tumhe dekhta hu toh sochata hu bas yahi
Tum jo o o....., mera saath do o o o...
Saare ghum bhulaake, jee lu muskuraake jindagi
Tu de de mera saath tham le haath, chaahе jo bhi ho baat
Tu bas de de mera saath
I get this feeling now, i can not wait no longer
I know your love will keep me happy, will keep me stronger
I get this feeling now, can not live without you
I know your loves the only one so true
Raaho mein tanaha hoon, saath le chal yuun
Sang tere safar pura karuun....
Kya kahun..... aye jindagi.....
Tu hai meri saans, rehna tu paas har ghadi
Tu de de mera saath tham le haath, chaahе jo bhi ho baat
Tu bas de de mera saath
Tujhako jo paaya toh hari yeh lagta kyun
Baahon mein bas teri mehfooj hoon....
Tum bano.... saaya mera....
Jindagi mein aao zindagi bitaao bas yahi
Tu de de mera saath tham le haath, chaahе jo bhi ho baat
Tu bas de de mera saath
Baby come stand by my side, come n be my guiding light
O i will be, what you want me to be
I will give all my love in, whole of my life, baby
Come n be my guiding light
