Woh
Summertime and the living is easy
Fish are jumping and the cotton is high
Your daddy is rich and
Your mammaâ€™s so good looking
So hush pretty baby donâ€™t you cry
One of these mornings
Iâ€™m gonna rise up and
Start singing to you girl
Coz you spread your
Wings and you take to the sky
But before that morning,
Nobodyâ€™s gonna harm you
Your daddy and mommy standing by
Supa ba da re pa de dbe de dbe â€”
Your daddy and mommy standing by
Hooooo ..
