Koi jhaankta hai andhero ki daraaro se
Koi guzarta hai sadko ke kinaaro se
Aaye kahan se jaaye kahan pe
Hai raaz dehshat bhara
Haath mein pakde paththar ke tukde
Saanson ke pichhe pada
Suni suni khaali raahon pe
Kaun hai woh anjaana sa
Kaali kaali gili raaton mein
Fir raha hai begana sa
Woh jaanta hai wajah kya gunahon ki
Kyun ubalti hai garmiya nigahon ki
Raahon pe sote sapne pirote
Logo se hai khelata
Woh hai shikari woh hai vyapari
Teri meri maut ka
Suni suni khaali raahon pe
Kaun hai woh anjaana sa
Kaali kaali gili raaton mein
Fir raha hai begana sa
Suni suni khaali raahon pe
Kaun hai woh anjaana sa
Kaali kaali gili raaton mein
Fir raha hai begana sa
Peeth par kare ye war
Maanata nahi hai haar
Andhere mein kare shikaar
Patthar maar patthar maar
Aaye kahan se jaaye kahan pe
Hai raaz dehshat bhara
Haath mein pakde paththar ke tukde
Saanson ke pichhe pada
Suni suni khaali raahon pe
Kaun hai woh anjaana sa
Kaali kaali gili raaton mein
Fir raha hai begana sa.
