Hey suno suno, suno suno suno suno suno suno  
Suno suno kanyaao ka warnan karata hai yeh gyaani  
Hoti hai yeh chaar kism ki sun lo meri jubaani, jubaani  
Suno suno ek aag ek paani, ek prem deewaani  
Sabse uttam woh jo apni na begaani begaani  
Ek aag ek paani, ek prem deewaani  
Sabse uttam woh jo apni na begaani begaani, suno suno, suno suno  
Mere desh ki ladaki -2 sona nigale nigale heere moti  
Mere desh ki ladaki hoy hoy mere desh ki ladaki  
Are jisane mujhase pyaar kiya, bas usaka beda ?? huwa  
Mera nark sa jivan swarg huwa, tera swarg sa jivan nark huwa -2  
Yahaan apna paraaya koyi nahi  
Jo haath laga woh saaf huwa  
Suno suno suno suno  
Kal aane ka waada karake, aaj palat nahi aaye  
O jhute o paapi tera satyaanaash ho jaaye  
Tatpunjiyon se na akhiyaan milaana  
Tatpunjiyon ka kya hai thikaana  
Tatpunjiyon se na akhiyaan milaana  
O o o... sach hi kahaan hai khatmal inako  
Raat ko kaante tohchhup jaaye din ko  
Chullu bhar paani mein dubake mar jaana  
Tatpunjiyon se na akhiyaan milaana  
Jogan ban jaayungi nathu tore kaaran  
O nathu tore kaaran, o fatu tore kaaran  
Jogan ban jaayungi nathu tore kaaran  
Tu khota tera pyaar bhi khota, ?? ka tu hai lota -2  
O thaali ke baingan kaale -2 maar ke dilpar taale  
Main jhumaritalaiya jhumaritalaiya jaayungi nathu tore kaaran  
O nathu tore kaaran, o fatu tore kaaran  
Jogan ban jaayungi nathu tore kaaran  
Unaki hoon kabhi inaki, teri hoon kabhi isaki  
Pine mein main tharra hoon, aur dikhane mein main hoon whisky  
Chal jhuti  
Abb aage teri marji  
Ho more saiyaan o more balama bedardi aage teri marji  
Aage teri marji phalnava, aage teri marji kisanava aage teri marji  
Yeh mere pyaar ke ummidwaar baithe hai  
Kahin shikaar kahin par shikaar baithe hai  
Shakal pe baara bajaake bimaar baithe hai  
Woh maaldaar hai toh yeh udhaar baithe hai  
Abb aage teri marji  
Ho more saiyaan o more balama bedardi aage teri marji
