Surili akhiyon waale, suna hai teri akhiyon se  
Behati hai nindein aur nindon mein sapane  
Kabhi toh kinaro pe, utar mere sapano se  
Aaja jameen pe aur mil ja kahin pe  
Mil ja kahin... o o o...  
Mil ja kahin, samay se pare, samay se pare mil ja kahin  
Tu bhi akhiyon se kabhi meri akhiyon ki sun  
Surili akhiyon wale, suna hai teri akhiyon se  
Jaane tu kahaan hai, udati hawa pe tere pairon ke nishaan dekhe  
Dhunda hai jameen pe, chhaana hai falak pe, saare aasmaan dekhe  
Mil ja kahin, samay se pare, samay se pare mil ja kahin  
Tu bhi akhiyon se kabhi meri akhiyon ki sun  
Everytime i look into your eyes, i see my paradise  
Stars are shining right up in the sky, ??? desire  
Can this be real, are you the one for me  
You have captured my mind, my heart, my soul no no  
You are the one waiting for  
Everytime i look into your eyes, i see my paradise  
Stars are shining right up in the sky, ??? desire  
Ot mein chupke dekh rahe the, chaand ke pichhe, pichhe the  
Saara jahaan dekha, dekha na aakhon mein, palako ke niche the  
Aa chal kahin, samay se pare, samay se pare, chal de kahin  
Tu bhi akhiyon se kabhi meri akhiyon ki sun  
Surili akhiyon waale, suna hai teri akhiyon se  
Surili akhiyon wale, suna de jara akhiyon se
