Dekho duniya hai yaaron kitni hasin, kitni hai khushi  
Chhodo bhi baatein hao jo bite huye kal ki, uss pal ki  
Hai chaar din jina toh soche phir kya  
Dekho main dekho tum, jo mil jaaye toh phir kya hai ghum  
Taaron ki tarah chamake hum phir jara  
Toh tum aur main dono milake ban jaaye hum  
Come on come on come on, hum hai saath  
Come on come on come on  
Socho tum me mujhamein khaas khas koi toh kahi hogi baat  
Phir socho gar hum mil jaayenge toh hogi roshani  
Phir na hogi raat, bikhere khushbu aur thoda jaadu  
Dekho main dekho tum, jo mil jaaye toh phir kya hai ghum  
Taaron ki tarah chamake hum phir jara  
Toh tum aur main dono milake ban jaaye hum  
Come on come on come on, hum hai saath  
Come on come on come on, milke maange jara hum jindagi se  
Chhine khushi har ghadi se, aur isame saath bhi ho sabhi  
Dekho main dekho tum, jo mil jaaye toh phir kya hai ghum  
Taaron ki tarah chamake hum phir jara  
Toh tum aur main dono milake ban jaaye hum  
Come on come on come on, hum hai saath  
Come on come on come on  
Come on come on come on, hum hai saath
