Ek ladki beqaraar hai
Ruthe baar baar hai
Jhutha gussa sachcha pyaar hai
Ab aage kya kahun aaj
Somvaar hai come on esha
Hua yeh kya kya kya esha
Kahun main kya kya kya esha
Hua yeh kya kya kya esha
Kahun main kya kya kya esha
Taaza taaza baheka baheka
Maamla zabardast teri
Adaayein hain mast
Hey taaza taaza baheka baheka
Maamla zabardast hey
Teri adaayein hain mast
Chal challenge chaandni mein
Chhod de nazaakat teri
Adaayein hain mast
Taaza taaza baheka baheka
Maamla zabardast haai
Teri adaayein hain mast
Chal challenge chaandni mein
Chhod de nazaakat o teri
Adaayein hain mast
Yaari teri yaari pyaari hai mujhe
Par hatke main hun ladki
Kabhi chhuna na mujhe
Yaari teri yaari pyaari hai mujhe
Par hatke main hun ladki
Kabhi chhuna na mujhe
Upar se hai naa naa
Andar se hai haan
Saaya hun main saaya
Tu jaayegi kahan
Aaju baaju aata hai kyun
Yeh nahin sharaafat
Arre mere iraaade hai sakht
Taaza taaza baheka baheka
Maamla zabardast hey
Teri adaayein hain mast
Chal challenge chaandni mein
Chhod de nazaakat hey
Teri adaayein hain mast
Masti ka hai mauka
Aaja paas mein
Kisne tujhko roka
Garmi hai saans mein
Solah main tu satra
Simple baat hai
Arre duniya kya kahegi
Tera chanchal saath hai
Aankhen meeche aaja
Peechhe pyaar hai zarurat
O teri adaayein hain mast
Taaza taaza baheka baheka
Maamla zabardast o
Teri adaayein hain mast
Chal challenge chaandni mein
Chhod de nazaakat haai
Teri adaayein hain mast
Taaza taaza baheka baheka
Maamla zabardast haai
Teri adaayein hain mast.
