Tadap tadap uthe jiya  
Pukare man piya piya  
Magar piya na tum mile  
Magar piya na tum mile  
Tadap tadap uthe jiya  
Pukare man piya piya  
Hasi gayi khushi gayi  
Gulal sab chitar gaya  
Ye roop sab utar gaya  
Ke rang sab bikhar gaya  
Rache na mahandi hath me  
Saje na kajara aankh me  
Kafan sabhi pe dal tu  
Kidar gaya kidar gaya  
Tadap tadap uthe jiya  
Pukare man piya piya  
Na tum mile ke bhigti  
Rahi umar khadi khadi  
Huike sath hathkadi bani  
Ke aankh phuljhadi  
Ke aayi na nind raat me  
Na chain aaya phyas me  
Jo aayi to aayi teri  
Yaad hi ghadi ghadi  
Tadap tadap uthe jiya  
Pukare man piya piya.
