Hey taali bajaave naache gaave  
Hey rab hove shareek jine ke jashan mein  
Apni toh baat magar kuchh niraali hai  
Apne toh khun mein ishq ki laali hai  
Hey apna jeena toh jeena tashan mein -16  
Dhup tashan hai, raat tashan hai, apani toh har baat tashan hai  
Kaise bhi haalat tashan hai, aise insaan hai  
Tedhe apne karm huye haim, hum suraj pe jalm huye hai  
Tabhi sharm besharm huye hai, thode naadan hai  
Hamse hairaan hai teer sikandar ka  
Hampe kurba hai neel samandar ka  
Hum jaise kismat ke laakh sawaali hai  
Apni toh baat magar kuchh niraali hai  
Oy apna jeena toh jeena tashan mein -16  
Taali bajaave naache gaave  
Hey rab hove shareek jine ke jashan mein  
Apni toh baat magar kuchh niraali hai  
Apne toh khun mein ishq ki laali hai  
Hey apna jeena toh jeena  
Tashan mein.....
