Reception, mind control, intuition  
I like it  
Ho we are the new generation  
Its a celebration  
Come on let me hear sing  
Aawaargi deewaangi  
Yeh jo aa jaati hai bewajah  
Arey josh mein hai zindagi  
Phir hosh mein hai kya mazaa  
So everybody come together  
Ik baar ki hai zindagi  
Mere sapne naye rang se  
Kab tu rangega  
Bata de khuda  
Tell me o kkhuda  
O kkhuda just tell me  
Tell me o khuda  
O khuda just tell me  
Oh ho yeah  
Oh ho yeah yeah  
Wassup wassup  
Put your hands up  
Put your hands up  
I am restless  
I am reckless  
I donâ€™t know what is going on  
I need your direction  
Show me the way  
Show me the &  
Sadiyon ne jaate jaate  
Lamhe guzaare hain  
Lamhon ko aate aate  
Sadiyaan lagi hain  
Oh ho yeah yeah&..  
Haan khushiyon ko  
Dheere dheere humne jagayaa hai  
Joda hai dil se dil ko  
Khushiyaan bani hai  
Jab sunta hoga tu, tab hastaa hoga tu  
Humne jo bhi kaha, tune sunaa  
Tell me o kkhuda  
O kkhuda just tell me  
Tell me tell me  
Tell me o khuda  
Hoti hai halki halki  
Jo aahat nighaaon mein  
Dastak ko sunte sunte dil jaagte hain  
Haan..dil mein jo neethi  
Meethi khwaaish panapti hai  
Uske hi peechhe peechhe  
Sab bhaagte hai  
Kabhi socha tune yeh,  
Kabhi jaana tune yeh  
Dil ne jo bhi kaha humne sunaa  
Tell me  
Tell me tell me  
O kkhuda  
O kkhuda  
O kkhuda tell me  
Just tell me yeah yeah o kkhuda  
Aawargi deewaangi  
Yeh jo aa jati hai bewajah  
Arey josh mein hai zindagi  
Phir hosh mein hai kya mazaa  
So everybody come together  
Ik baar ki hai zindagi  
Mere sapne, naye rang se  
Kab tu rangega bata de khuda  
Tell me o kkhuda  
O kkhuda just tell me  
Tell me o kkhuda  
Kkhuda tell me  
O kkhuda just tell me.
