You got something, there is something about you girl
My heart is ?? whenever you are around my world goes upside down
Tennu le ke jaana apane naal aa ha ha ha
Nayi jina o hun yaara ainesa ? aa aa aa
Adhi raat nind na aave, din nu chain tadpaave
Girl my senses has become a ? dream, your face she is buzzing around
And girl when you are around my world goes upside down
Tennu le ke jaana apane naal aa ha ha ha
Nayi jina o hun yaara ainesa ? aa aa aa
Adhi raat nind na aave, din nu chain tadpaave
Hmmm hmm hmm there is something about you girl
Jindagi mein tu hi aake bas ja meri o jaana
Dekh le bas mujhe kya mera hai haal, bin tere mere yaar
Tennu le ke jaana apane naal aa ha ha ha
Nayi jina o hun yaara ainesa ?
Adhi raat nind na aave, din nu chain tadpaave
Tennu le ke jaana apane naal aa ha ha ha
Nayi jina o hun yaara ainesa ? aa aa aa
