Tera bimaar mera dil mera jina huwa mushkil  
Karuun kya haay  
Tera bimaar mera dil  
Muhabbat mein naam kar ja mera naam le le ke mar ja  
Yahi bas dava teri  
Mere divaane  
Tera bimaar mera dil  
Tu le le jaan bhi meri jo tere kaam aa jaaye  
Tu rakh de haath bas dil par mujhe aaraam aa jaaye  
Main tujh se pyaar karati huun magar duniya se darati huun  
Karuun kya haay  
Muhabbat mein naam kar ja mera naam le le ke mar ja  
Yahi bas dava teri  
Meri divaani  
Tera bimaar mera dil  
Subah se shaam tak mera ye dil tera hi naam leta hai  
Hai yah kya baat mujhamein ki tu mujhpe jaan deta hai  
Tu kitani khuubasurat hai mujhe teri zaruurat hai  
Karuun kya haay  
Muhabbat mein naam kar ja  
Badan ke raah ek shola mujhe jisane jala daala  
Meri maano re divaane mujhe paagal bana daala  
Ise inakaar main samajhuun ise iqaraar main samajhuun  
Karuun kya haay  
Muhabbat mein naam kar ja
