Aa aa aa aa aa.....  
Meri dhadkan mein saanson mein tera hi naam hai yaara  
Mujhe duniya se kya matlab  
Tujhi se kaam hai yaara  
Meri dhadkan mein saanson mein tera hi naam hai yaara  
Mujhe duniya se kya matlab  
Tujhi se kaam hai yaara  
Jamaana ik taraf ki tu mera sansaar hai pehale  
Meri har cheej ka hamraaj tu haqdaar hai pehale  
Kabhi hoon main suraahi aur kabhi tu jaam hai yaara  
Mujhe duniya se kya matlab  
Tujhi se kaam hai yaara  
Tamnna hai ke gehane pyaar ke main tujhako pehana du  
Hukumat bhi mile toh main hukumat ko bhi thukara du  
Teri chaahat toh kudrat se bada inaam hai yaara  
Mujhe duniya se kya matlab  
Tujhi se kaam hai yaara  
Jamin ki nabj rukati hai kadam jab tere chalute hai  
Khudaayi thartharaati hai, farishte haat malate hai  
Tu hi aagaajh tha mera tu hi anjaam hai yaara  
Mujhe duniya se kya matlab  
Tujhi se kaam hai yaara  
Na aisa pyaar hoga aur na aisi aashiqi hogi  
Mujhe lagata hai sadiyon se hamaari dosti hogi  
Sitaaron tak hamaari aashiqi badnaam hai yaara  
Mujhe duniya se kya matlab  
Tujhi se kaam hai yaara  
Meri dhadkan mein saanson mein tera hi naam hai yaara
