Tera jahan aabad hai
Mera jahan barbad hai
Fariyad hai fariyad hai
Ayi asman fariyad hai
Tera jahan aabad hai
Mera jahan barbad hai
Tu khush ke tere bag ke
Sab phool akhir khil gaye
Jin ki tamanna thi tujhe
Akhir woh tujhko mil gaye
Mere mukaddar mein fakat
Gham aur kisi ki yaad hai
Tera jahan aabad hai
Mera jahan barbad hai
Tu kush ke tere hath mein
Ummid ka jaam a gaya
Meri mohabbat ke liye
Rone ka paigam a gaya
Hairat na kar ai bekhabar
Duniya hai ek jadu ka ghar
Do dil hain ek ghar mein magar
Ek shad ek nashad hai
Fariyad hai fariyad hai
Ai asman fariyad hai
Tera jahan.
