Baatein teri karte hue
Thak ke so jaati hoon sirhaane aasmaan
Jaane kahaan mud jaati hain
Dekhte dekhte tujhe yeh galiyaan Endlessly reminiscing about you
I fall asleep next to the sky
I wonder where these paths disappear
As I stand here waiting for you Teri tarah khushbu chale
Taare hamaari tarah raaton se mile The fragrant breeze reminds me of you
Stars meet the sky as your heart meets mine Suni nahi zamaane ne teri meri kahaaniyaan
Karde koyi nawaazishen karam mehrbaaniyaan The world has never heard a tale such as ours
Can someone show us some mercy and kindness? Yeh aarzu thi ki dekhe yeh duniya
Hum jaisa koi deewaana hi nahi The wish was that the world should see
That there are no two such crazy lovers as you and me Karde koyi nawaazishen karam mehrbaaniyaan Can
someone show us some mercy and kindness? Raat andheri mein chhup rahe the
Gum ek savera dhoond rahe the
Sadiyon se jaise jaag rahe the
Pyaar ko apne dhaanp rahe the We were hiding in the dark night
We were trying to find a lost dawn
It was as if we had been sleepless since centuries
We were concealing our love for each other Phir gir pade
Koyi mila naa sahaara kya karein Then we missed our step
There was no one to save us from stumbling Suni nahi zamaane ne teri meri kahaaniyaan The world has never
heard a tale such as ours Tera woh pyaar yaad aayega
Bhoolega naa yeh dil mera
Kya ho gaya socha nah tha The memory of your love will stay with me
My heart will not let me forget
Never imagined that this could happen Tera woh pyaar (x8) The memory of your love Teri woh khaamoshiyaan
Kah deti theen woh sabhi
Jo tu nah keh saki Your silences would say to me
All that you could not bring yourselves to say Kaise bataati tujhe
Sharmaati thi main jaise
Aanchal men jalta diya How could I tell you what was in my heart?
I felt hesitant as a lamp glimmering from behind a veil Khoye kahaan mujh ko bata Tell me where we
disappeared Tera woh pyaar yaad aayega
Bhoolega nah yeh dil mera
Tera woh pyaar yaad aayega
Bhoolega nah yeh dil mera
Kya ho gaya socha na tha The memory of your love will stay with me
My heart will never let me forget
The memory of your love will stay with me
My heart will never let me forget
Never imagined that this could happen Translated by Zahra Sabri
