Teraa hath hath me aa gaya, ke charag rah me jal gaye  
Mujhe sahal ho gayee manjile, woh hawa ke ruk bhee badal gaye  
Badee chij hai tujhe kya pata, teree ik ada teree ik sada  
Jo tadap rahi the bahal gaye, jo gire the girake sambhal gaye  
Jise sun saka tha naa aaj tak, wahee raj jaise ke sun liya  
Vahee git jo mere dil me the, woh labon pe aake machal gaye
