Teraa jahan aabad hai, meraa jahan barbad hai  
Fariyad hai fariyad hai, aayee aasman fariyad hai  
Teraa jahan aabad hai, meraa jahan barbad hai  
Tu khush ke tere bag ke, sab phul aakhir khil gaye  
Jin ke tamanna thee tujhe, aakhir woh tujhko mil gaye  
Mere mukaddar me fakat, gam aur kisee ke yad hai  
Teraa jahan aabad hai, meraa jahan barbad hai  
Tu kush ke tere hath me, ummid ka jam aa gaya  
Meree mohabbat ke liye, rone ka paigam aa gaya  
Hairat na kar ai bekhabar, duniya hai ek jadu ka ghar  
Do dil hain ek ghar me magar, ek shad ek nashad hai  
Fariyad hai fariyad hai, ai aasman fariyad hai  
Teraa jahan.....
