Tere bin mai kuchh bhee nahee  
Mere bin too kuchh bhee nahee  
Tere saare aansu mere, meree saaree khushiya teree  
Tere bin mai kuchh bhee.....  
Too aasaman mai jamin, too jaha mai bhee vahee  
Meree duniya vaha too hee too  
Too nahee toh mai bhee nahee  
Mai chaaro dhaam kyon jaau, mere tirth hain bas yahee  
Tere saare aansu mere.....  
Do shahjaade raat akelee, rah na jaaye baat adhuree  
Mere bhaayee too mujhase kuchh kahana chaahata hai  
Kah de na yah adhuree baat mujhe samajh me nahee aatee  
Koyee toh badee baat hai bhaayee  
Apane chhote bhaayee se kyon chhupata hai  
Mai dil hu dhadakan too hai, kaise bhulu bachapan too hai  
Yah duniya hai jalim badee, bada bhola too maasum hai  
Ek baaju se hoga uthana mere bhaayee tujhe yeh jamin  
Tere saare aansu mere.....
