Tere hasne se mujh ko
Aati hai hansī hmhm
Teri saari baatein
Chup chaap main sunti
Tere hasne se mujh ko
Aati hai hansī
Teri saari baatein
Chup chaap main sunti
Aisa lage tere bina
Kuch bhi nahī kuch bhi nahī
Aisa lage tu hai dua
Meri khushi
Tere hasne se mujh ko
Aati hai hansī hmhm
Teri saari baatein
Chup chaap main sunti
Teri ungli pakad kar
Chalna seekha main ne
Girte uthte gir kar
Sambhalna seekha main ne
Mere sapno mein
Jo rang hai tu hi laya hai
Tune pankh diye aur
Udna seekha main ne
Aisa lage tere bina
Kuch bhi nahī kuch bhi nahī
Aisa lage tu hai dua
Meri khushi
Tere hasne se mujh
Ko aati hai hansī
Teri saari baatein
Chup chaap main sunti
Dhoondti hun tujh
Ko phir bhi na paati hun
Tu hai bas mera aur
Main teri saathi hun
Tere jaane se chaaya
Phir andhera hai
Sapnon se bhi ab
Main dar-dar jaati hun
Aisa lage tere bina
Kuch bhi nahī kuch bhi nahī
Aa bhi jaa ab aa
Bhi jaa tu hi meri
Roshni roshni roshni
Tere hasne se
Mujh ko aati hai hansī
Teri saari baatein
Chup chaap main sunti
Tere hasne se
Mujh ko aati hai hansī
Teri saari baatein
Chup chaap main sunti
Aisa lage tere bina
Kuch bhi nahī kuch bhi nahī
Aisa lage tu hai dua meri khushi
Tere hasne se mujh
Ko aati hai hansī
Teri saari baatein
Chup chaap main sunti.
