Tere jaha se hum chale
Di me chhupa ke gam chale
Apni khushi ka karwa
Hum to luta ke aey sanam chale
Alvida alvida alvida
Tere jaha se hum chale
Di me chhupa ke gam chale
Apni khushi ka karwa
Hum to luta ke aey sanam chale
Alvida alvida alvida
Har sans fariyad hai
Hum hai wo bhujta diya
Jo aandhiyo me jale
Dil me teri yaad hai
Har sans fariyad hai
Hum hai wo bhujta diya
Jo aandhiyo me jale
Tere jaha se hum chale
Di me chhupa ke gam chale
Apni khushi ka karwa
Hum to luta ke aey sanam chale
Alvida alvida alvida
Ashqo me aaho me tu
Rangin raho me tu
Milti hai har aarzu
Ro roke tere gale
Ashqo me aaho me tu
Rangin raho me tu
Milti hai har aarzu
Ro roke tere gale
Tere jaha se hum chale
Di me chhupa ke gam chale
Apni khushi ka karwa
Hum to luta ke aey sanam chale
Alvida alvida alvida
Anjam se bekhabar
Jane chale hum kidhar
Royenge hum umar bhar
Taro ke saye tale
Anjam se bekhabar
Jane chale hum kidhar
Royenge hum umar bhar
Taro ke saye tale
Tere jaha se hum chale
Di me chhupa ke gam chale
Apni khushi ka karwa
Hum to luta ke aey sanam chale
Alvida alvida alvida
Alvida alvida alvida
Alvida alvida alvida
