Khumare gham hai, mahekati fija me jite hain  
Tere khayal kee aabo hawa me jite hain  
Khumare gham hai, mahekati fija me jite hain  
Bade itafak se milte hain milne wale mujhe  
Woh mere dost hai, teree wafa me jite hain  
Tere khayal kee aabo hawa me jite hain  
Khumare gham hai, mahekati fija me jite hain  
Firake yar me saanso ko rok ke rakhte hain  
Harek lamha gujarti kaja me jite hain  
Tere khayal kee aabo hawa me jite hain  
Khumare gham hai, mahekati fija me jite hain  
Naa bat puree huwee thee, ke rat tut gae  
Adhure khwab kee aadhee saja me jite hain  
Tere khayal kee aabo hawa me jite hain  
Khumare gham hai, mahekati fija me jite hain  
Tumhari baton me koi masiha basta hai  
Hasin labon se barastee shabha me jite hain  
Tere khayal kee aabo hawa me jite hain  
Khumare gham hai, mahekati fija me jite hain  
Tere khayal kee aabo hawa me jite hain
